What to Wear: Clothes that can get dirty and possibly a change of clothes for the ride home. Dress for the weather, and we generally advise you always take extra layers off. The playing fields are outdoor, so it looks like it is muddy, boots are recommended. The paintballs typically do not stain clothing (it's not real paint), but it is obviously not advised to wear your best clothes - old jeans and sweatshirts and good solid shoes or boots are great. We can provide all of the paintball gear, of course including a full-face mask.

What to Bring:
1) Parental Consent Form from
www.wackywarriors.com
2) Yourself!
3)
